

— PRESS RELEASE —

MON, 31 JANUARY 2022

ANNOUNCEMENT OF THE ACCEPTANCE OF MANUAL APPLICATION FOR THE 2022 UNDERGRADUATE SCHOLARSHIP PROGRAM IN REGION VIII

The Department of Science and Technology Regional Office VIII with the Science Education Institute is pleased to announce the extension of deadline of uploading of documents for the 2022 Undergraduate Scholarship Program on **February 15, 2022**.

In light of the emergence of ST Odette last December 2021 in our region, the DOST-SEI have given our applicants from the Eastern Visayas a special consideration and allowing the manual filing of application for the 2022 Undergraduate Scholarships.

For those aspirants who were not able to register last December 31, 2021 in our E-Application System, this is your last chance to apply for our 2022 Undergraduate Scholarship Program. However, only those applicants from Eastern Visayas will be entertained. Kindly download the application form through the link below:

<https://tinyurl.com/2022UndergradApplication>

After filling out the application form and acquiring all the necessary documents, kindly submit it to DOST Regional Office VIII or any Provincial Science and Technology Centre (PSTC) near you on or before **February 15, 2022**. You may visit the link below to check the Contact/Office Addresses of each DOST 8-PSTCs:
